Lenda Hand SAMPLE TEXT REQUEST

Ine giris' school is doing a fundraiser and asking for each student to find \$529 in support. Would you and Grandpa be willing to sponsor one or both of them?! will help their school increase the financial position and stability! The school has made a webpage with more information www.indvcs.org/lendahand or I'm happy to answer questions! You can also click the following link directly to give. https://lapp.apls.com/aws/give/ IndianapolisChristianSchoolsys-tem/lendahand Thank you!

To the left is a sample text from a parent to a grandparent. Short, simple ask with the willingness to expand more. This is an easy script for parents to use In texts, calls, or as a social media post with the "Sponsor Me!" graphic. You can find the graphic linked In "Resources" to insert your own student's photo.

Yep, we will do the 529 a piece!
